

# Influenza Laboratory Reporting

West Virginia Office of Epidemiology and Prevention Services

Division of Infectious Disease Epidemiology

Phone: (304) 558-5358 ext. 2

## Instructions

- In the table below, fill in the number of RT-PCR, immunofluorescence, and culture counts for each category during the prior MMWR week (**Sunday to Saturday**).
- Fax the completed form to (304) 558-8736 or email it to [Anita.Y.Marker@wv.gov](mailto:Anita.Y.Marker@wv.gov) by Tuesday at 12:00pm.
- **If you receive a result in the starred(\*) category, notify Anita Marker or call (304) 558-5358 ext. 2 to report an influenza A specimen whose subtype could not be determined and forward the specimen to the Office of Laboratory Services.**

**Week Ending Date:** \_\_\_\_\_ **MMWR week:** \_\_\_\_\_

<b>Total # A (2009 H1N1)</b>	
<b>Total # A (H3N2)</b>	
<b>Total # A (Subtyping Not Performed)</b>	
<b>Total # A (0 or &gt;1 Subtype Detected)*</b>	
<b>Total # B</b>	
<b>Total # Tested</b>	

**Laboratory / Hospital:** \_\_\_\_\_

**Contact Person:** \_\_\_\_\_

**Phone Number or Email:** \_\_\_\_\_

*Clinical laboratories are encouraged to submit up to five influenza specimens to the West Virginia Office of Laboratory Services weekly during influenza season. Please include the Microbiology Specimen Submission Form with the specimen. The form may be found at: [https://dhhr.wv.gov/ols/labs/Documents/Micro/Test%20Request%20Form Micro UPDATED-10Feb2022.pdf](https://dhhr.wv.gov/ols/labs/Documents/Micro/Test%20Request%20Form%20Micro%20UPDATED-10Feb2022.pdf).*
